

Resume

Education

City Royal International Academy

2016 – 2022

I completed my secondary school from 2016–2022 including both junior and senior secondary school.

I experienced a conducive and supportive learning environment that helped my personal and academic growth.

Federal University of Lafia, Nassarawa State

2024 – ongoing

I am currently studying Computer Science at the Federal University of Lafia from year 2024 – till now. The program will equip me with technical skills and knowledge needed to succeed in this field.

Aptech

2024 – 2025

I am currently undergoing a training on UI/UX design, Frontend Development and Digital Marketing. The environment and learning system here is preparing to be an expert and a reliable developer giving professional results.
